Minutes of Meeting

Board of Studies - MCA Programme

Date - 25th May 2025

The meeting of the Board of Studies (BOS) for the MCA Programme was conducted on Saturday, 25th May 2025 at 10:30 AM in Seminar Hall No. 06 of the Institute. The meeting was conducted in hybrid mode as some members were unable to be present physically.

Mr. Uday Chatur, Chairman, Board of Studies (MCA) welcomed all the members present both online and offline and briefed them about the structure of the MCA Programme and guidelines as per the New Education Policy (NEP).

Item No.1: To read and confirm the minutes of the last meeting held on 24th Aug. 2024.

The last meeting was held on 24th Aug. 2024. The minutes of the meeting were read out by the Chairman Mr. Uday Chatur. The minutes were confirmed and accepted unanimously.

Item No.2: To prepare & approve the detailed Syllabus of MCA Second Year.

The Chairman presented the draft course details prepared by various groups of teachers from the Computer Science Faculty. The overall structure had been finalized in the previous meeting in accordance with NEP guidelines, including the credit distribution for each semester.

विषय नं. Subject No.	विषय Subject	उद्देश Resolution
	The draft syllabus was prepared by faculty groups in consultation with senior computer science faculty from various colleges and universities. Suggestions were also taken from industry experts while deciding the course contents. A detailed discussion was held on the draft syllabus of Semester III and Semester IV courses. The members provided several inputs and suggestions, which were duly noted and incorporated. A brief summary of the discussion and modification is as follows — - The course Fundamentals of cloud Technologies was discussed and finalized with the objective of providing basic knowledge of cloud computing. - The s/w Engg. syllabus was discussed and designed to cover both s/w Engg and Project Management concepts. The associated laboratory course was designed to provide hands-on experience in system analysis, design and management. Suggestions given by members were incorporated. - The contents of Advance Web Development-II and its laboratory were revised based on suggestions from industry experts Mr. Mangesh Suryawashi and Dr. Yogesh Chaudhari to meet the industry requirements of a full stack UI Developer. - Mr. Mangesh Suryawashi provided valuable inputs for the Advance Java programming course and suggested the inclusion of at relevant topics. - Prof. R. J Ramteke gave important suggestions for the Artificial Intelligence course. Certain topics were added to meet current industry demand, while some introductory topics already covered under the machine Learning course were
