About KCES's IMR, Jalgaon

Khandesh College Education Society, Jalgaon, established in 1944 is a profound academic movement with various institutes under its umbrella. Institute of Management and Research, Jalgaon was established in the year 1986 and is a pioneer institute in the field of management education in North Maharashtra Region, and continues to be an Institute of repute in its 38th year.

The Institute stands tall in North Maharashtra with dedicated and committed faculty, good infrastructure, learning resources and progressive teaching pedagogy with consistent placement record and a vibrant campus life. The Institute has tie-ups with prestigious organizations both academic and from industry which is a part of our continuing efforts to improve the quality of education and exposure to students and society.

The Institute is NAAC Accredited with 'A' Grade, and NBA accredited for MBA Program and commands a tremendous goodwill in the region. UGC has granted the institute autonomy from the academic year 2024-25. Our core values practiced at the institute include Excellence, Technology Integrated Education, Providing an excellent research environment, Social responsibility, Diversity & equal opportunity.

Dear Authors,

CALL FOR PAPERS TO ACADEMIC COMMUNITY, RESEARCH SCHOLARS & INDUSTRY LEADERS ACROSS THE WORLD FOR THE INTERNATIONAL CONFERENCE ON "INNOVATION, AUTOMATION AND FUTURE TRENDS IN BUSINESS" AT JALGAON, MAHARASHTRA ON 22nd MARCH 2025.

Khandesh College Education Society's Institute of Management and Research, Jalgaon, a prestigious pioneer in education in the North Maharashtra Region and recognized by AICTE, New Delhi, is delighted to announce its 5th International Conference, INCON 2025, scheduled for March 22, 2025.

In an era marked by transformative advancements in technology and automation, industries are evolving at an unprecedented pace. These revolutionary developments are reshaping business operations and opening new horizons for enterprises, brands, and startups worldwide. The emergence of cutting-edge GPT-based and OpenAI technologies is making a profound impact across various sectors, driving innovation and redefining the way businesses function.

To address these dynamic changes, many sectors are actively adapting their strategies and operations. INCON 2025 aims to serve as a platform for vibrant discussions, idea exchange, and collaborative brainstorming among researchers and innovators from around the globe.

We invite researchers, industry experts, professionals, and students to contribute to this event by submitting research findings, articles, survey reports, and case studies on topics aligned with the conference theme. Join us as we explore the opportunities and challenges of this exciting era of innovation and automation.

Aim of the Conference

- Provide a global platform for researchers, industry experts, and innovators to share insights on advancements in technology, automation, and GPT-based AI solutions.
- Discuss how emerging technologies are reshaping business operations, creating opportunities, and addressing challenges across various sectors.
- Encourage brainstorming and collaboration among participants to drive innovation and develop practical solutions for adapting to the rapidly evolving technological landscape.
- Inspire students, professionals, and startups to leverage modern technologies for sustainable growth and success in a highly dynamic global market.

**Theme of the Conference: "Innovation,
Automation and Future Trends in Business"**
Date of Conference- 22nd March 2025

Subthemes

Tourist Places

Ajanta is a renowned UNESCO World Heritage Site known for its famous ancient rock-cut caves. These 30 caves, dating from the 2nd century BCE to the 5th century feature exquisite Buddhist paintings and sculptures that depict Jataka tales, which narrate the life and previous incarnations of Lord Buddha. Ajanta is a significant historical and cultural landmark.

Ellora is a UNESCO World Heritage Site renowned for its rock-cut architecture. It features 34 monasteries and temples carved into a basalt cliff, dating back to 600–1000 CE. The site is a harmonious blend of Hindu, Buddhist, and Jain monuments, showcasing India's religious diversity and artistic brilliance.

Gandhi Teerth is a world-class museum and research center dedicated to Mahatma Gandhi's life, philosophy, and teachings. Situated on a sprawling 65-acre campus, it houses a vast collection of Gandhian literature, letters, and artifacts. The facility is designed with eco-friendly architecture, managed by the Jain Irrigation Systems Foundation.

The backwaters of the Waghur Dam form a picturesque and serene spot surrounded by lush greenery. The backwaters are a popular destination for nature lovers, offering opportunities for bird watching, picnics, and peaceful retreats. The area is especially scenic during the monsoon season.

Parola Fort, located in the Jalgaon district of Maharashtra, is a historic 16th-century fort. It is known for its association with Ahilyabai Holkar, the iconic Maratha queen, as it was her birthplace. The fort boasts robust stone architecture and served as a stronghold during the Maratha rule. Parola Fort remains a popular tourist attraction, reflecting the grandeur of Maratha history.
