2022-23  
MBA**

---

Welcome to the Training & Placement Department at KCES Institute of Management & Research, Jalgaon. We are proud to highlight our achievements and successes over the past year (2022-23). Our department has worked tirelessly to connect our students with top companies and organizations in their field of study. Through our dedicated efforts in training and placement, we have been successful in placing a record number of students in internships and full-time positions.

The Training and Placement Cell of KCES Institute of Management & Research, Jalgaon handles campus placement of the MCA & MBA students. The Placement Cell provides complete support to the visiting companies at every stage of placement process.

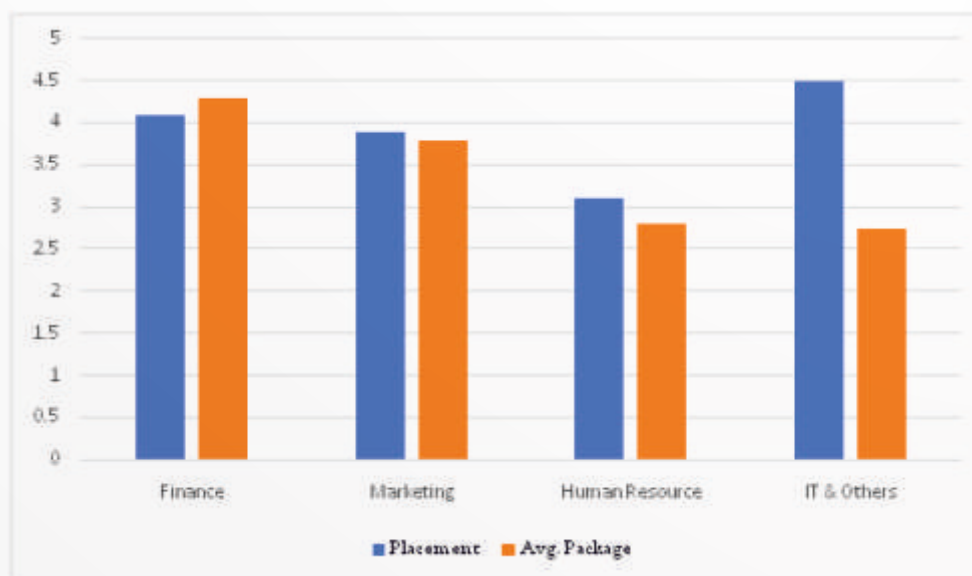

Arrangements for Pre-Placement Talks, Written Tests, Interviews and Group Discussions are made as per the requirement of the visiting companies. Training & Placement Department have a well-equipped Placement cell which lays a great deal of emphasis on giving corporate

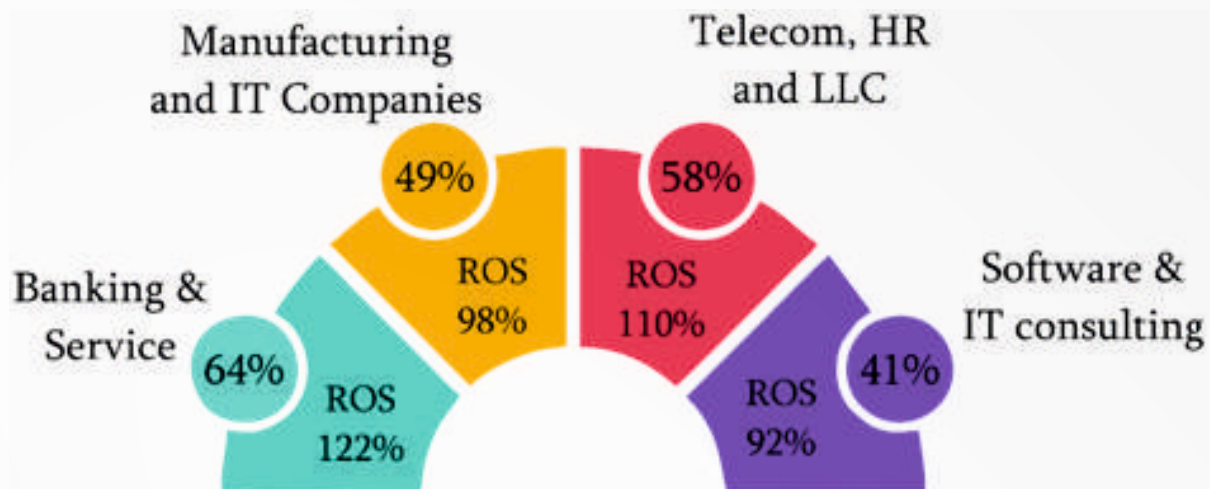

and students, the choice of mutual selection. Responsible for identifying the right student-organization fit, the Placement Office selects, targets and invites organizations to the campus for final placements. We have been successful in maintaining our high placement statistics over the years and the fact that our students bear the recession blues with good number of placements itself is a testimony to our quality. Our ingenious alumnae have set new standards in the corporate world through their estimable contributions and it is my firm conviction that we will continue that legacy in the years to come.

### Our achievements include:

- Record Number of Placements: We have successfully placed of our students in various renowned organizations from our streams- MBA and MCA, including in Banking, telecom, software, manufacturing, service, IT and other industries.

Total Placement	Entrepreneurship Development	Higher Studies Support	6 months project for MCA
239	06	08	89

- **Top Recruiting Companies** : Our department has been successful in attracting top companies to our institution for recruitment drives. This year, we hosted several corporations, including Infosys, Axis Bank, MRF, Vivo, IDBI Bank, and many others.

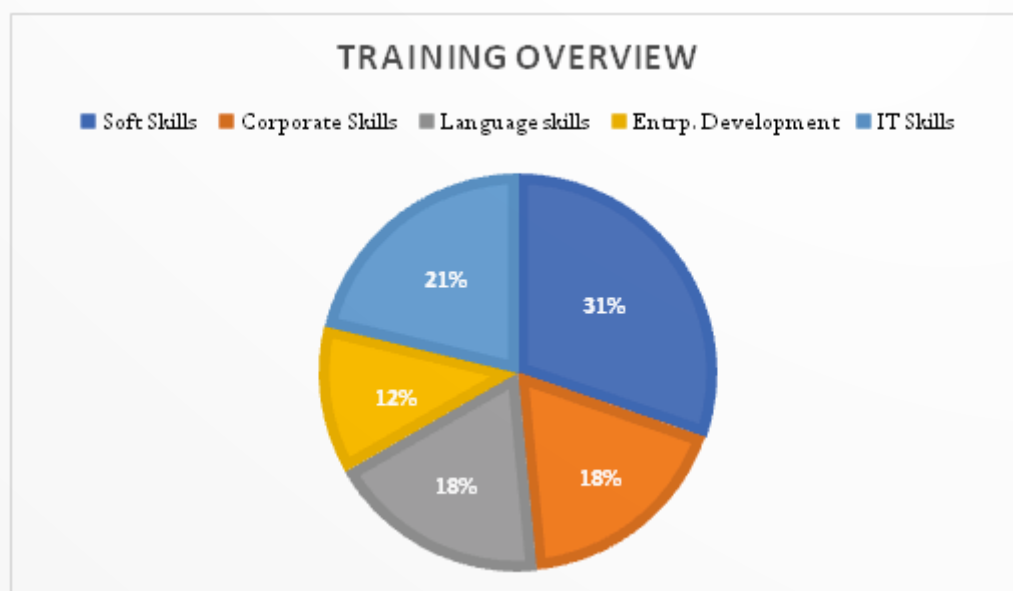

For Internship

- **Extensive Training Programs** : We have implemented a variety of training programs to prepare our students for their professional careers. These programs include technical training, mock interviews, soft skills development, and personality enhancement training from outside experts, in-house faculties and industry people.

- **Internships and Workshops :** We have organized multiple career fairs and workshops to provide our students with an opportunity to interact with recruiters and professionals from various industries.

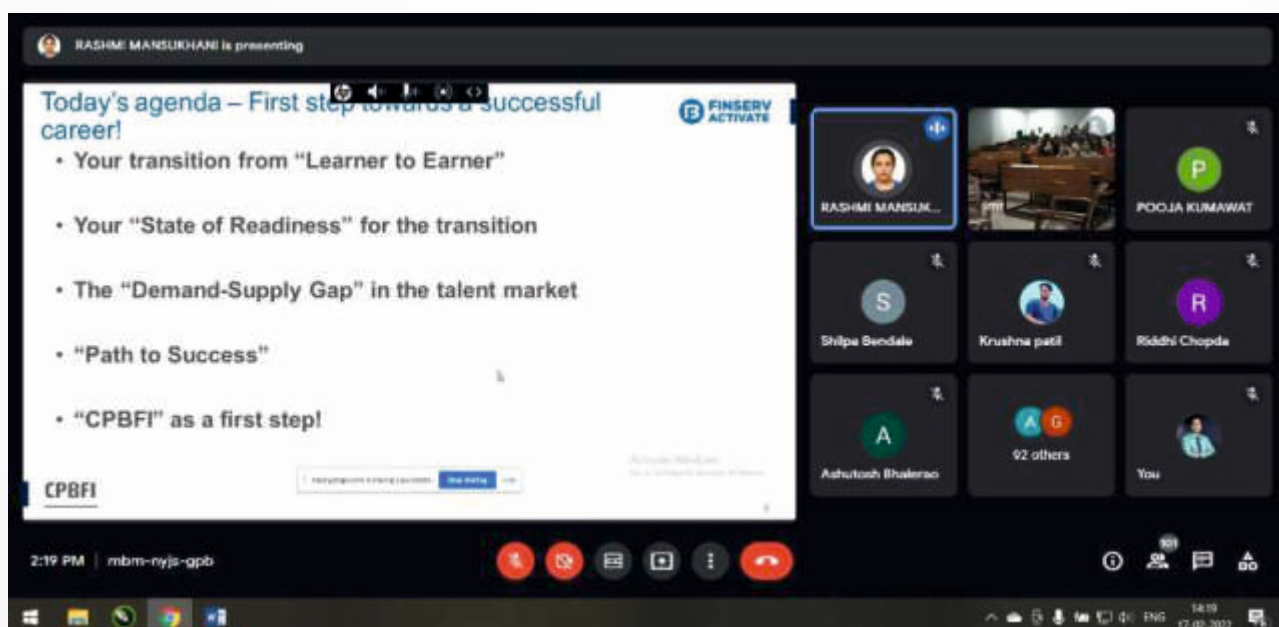

- **Alumni Network :** Our alumni network has grown significantly, and we have been successful in connecting our alumni with current students for mentorship and guidance. This year we have conducted an alumni meet in Pune with connecting through 1983 batch to last batch. The alumni have committed to offer Rs. 10 Lakhs sponsorship money for start-ups and placement opportunities.

**Training Partner :** We have a corporate tie-up with leading training and placement providing companies and agencies, who are constantly selecting our students to train and place, including;

Our institution is dedicated to providing our students with not only a rigorous academic curriculum but also real-world experience and practical skills through internships, industry projects, and hands-on training. Our faculty members bring a wealth of industry experience and expertise to the classroom, ensuring that our students are receiving the most up-to-date and relevant education. We take pride in our strong relationships with employers in a variety of industries, which allow us to provide our students with access to a wide range of job opportunities upon graduation. Our career services team is also available to provide guidance and support to our students as they navigate the job search process. Our success is a testament to our commitment to the personal and professional development of our students. Our team is dedicated to providing the necessary resources and support to help our students succeed in their chosen careers.

We look forward to continuing our efforts in bridging the gap between education and industry, and helping our students achieve their career aspirations.

15 days Skill Development Workshop conducted by Infosys @IMR
