Title Career Mythbusters

Description

Urmila Pashine, an alumna of IMR, revealed her career graph from IMR to Delhi, California to New York as she unfolded her career journey. These include the McDonald's Douglas Airlines, the San On Offer nuclear power plant, the Gap, the Jaguar Land Rover. She shared with the students her experience of interviewing and giving her own interviews with the students about what the interviewer expects from the freshers in this age of globalization, net age, and drew attention to the Growth Mindset. While working, your emotional intelligence, your clear thinking, your perseverance (grit) is as important as your intelligence. First of all, when you face an interview after leaving college, you need to maintain a good balance of physical and mental condition along with your information and knowledge.

Event Objective International Connectivity Cell with Alumni

Event Outcome very satisfactory results- total 220 views presents all over india.

Event PO(MBA) PO2-Foster Analytical and critical thinking abilities for data-based decision making.

Event PO MBA(Integrated) PO2-Foster Analytical and critical thinking abilities for data-based decision making.

Title How to get an international job

Description

This immersive and insightful workshop was specifically designed to empower participants with the knowledge, skills, and strategies necessary to navigate the competitive international job market and achieve their professional aspirations abroad. Throughout the workshop, participants embarked on a transformative learning journey, guided by a team of seasoned professionals who specialize in international job placement. Through interactive sessions, engaging discussions, and practical exercises, attendees gained valuable insights and practical tools, positioning themselves for success in their pursuit of international career opportunities.

Workshop Highlights:

- Global Job Market Insights:** Participants delved into an in-depth exploration of the global job market, gaining valuable insights into high-demand industries, emerging markets, and countries seeking international talent. They learned to identify potential destinations aligned with their career goals and develop targeted strategies for job search success.
- Crafting a Winning International Resume and Cover Letter:** Attendees discovered the art of crafting compelling resumes and cover letters tailored for international job applications. They honed their ability to effectively communicate their skills, experiences, and cultural adaptability, ensuring their application materials stood out among competitors in the global job market.
- Mastering International Interviews:** The workshop provided participants with invaluable strategies and techniques to excel in international job interviews. Through mock interview sessions and personalized feedback, attendees gained confidence in answering challenging interview questions, navigating cross-cultural dynamics, and presenting their international experience as a valuable asset.
- Networking for Global Opportunities:** Recognizing the power of networking in the international job market, participants explored various avenues for building a strong professional network. They learned how to leverage online platforms, industry events, and professional associations to expand their connections and access hidden job opportunities on a global scale.
- Cross-Cultural Competence and Adaptability:** Attendees developed a deep understanding of cross-cultural dynamics and acquired the skills necessary to thrive in diverse work environments. Through case studies, interactive exercises, and real-world examples, they learned to navigate cultural differences, communicate effectively, and build successful relationships with international colleagues and clients.
- Legal and Practical Considerations:** The workshop equipped participants with the necessary knowledge to navigate the legal and administrative aspects of working abroad. They gained insights into visa requirements, work permits, taxation considerations, and healthcare provisions, ensuring a smooth transition to their desired international destination.
- Ongoing Support and Resources:** Participants were provided with a wealth of resources and ongoing support to assist them in their international job search. They gained access to job portals, recruitment agencies, and professional networks dedicated to international opportunities, empowering them to continue their journey with confidence.

Event Objective To provide clarity to the students about How to get an international job? and how they can prepare for it.

Event Outcome Students learnt and understood about How to get an international job? and how they can prepare for it.

Event PO(MBA) PO1-Apply knowledge of management theories and practices to solve business problems.

Event PO MBA(Integrated) PO1-Apply knowledge of management theories and practices to solve business problems.
