Title : One day workshop on Innovation and Patent for faculty

Date – 21/12/2022

Venue- Seminar Hall, KCES's IMR Jalgaon

The institute has organized a one day workshop for the faculty members on the topic, "Innovation and Patent writing" under the platform of Innovation council( IIC 5.0) . Mr. Chetan Mahajan, Vice-president of Federal Investment, USA was the resource person of this faculty development session. The expert has given many examples of successful businesses and startups those have secured their designs, processes and ideas by using patents. He had also discussed what are the precautions to follow for securing the business ideas and protecting them by filing patents. The faculty shall make the students aware about protecting their Intellectual Properties with due understanding while sharing their ideas with others.

Total 30 Faculty members took the advantage of this opportunity by their active participation in the event. Dr. Yogesh Khadake, Director, KCES's Innovation and Startup, was present on this occasion.
