VISION

Committed to provide value based, quality, professional and technical education to the students and empowering them with the required skillets and competencies to face challenges of the fast changing global environment.

MISSION

- To provide necessary technical and professional education with a view to uplifting the lives of rural and urban students.
- To create a conducive platform for students to develop their skills and knowledge
- To encourage innovation and research aptitude among students.
- To inculcate global ethics and human values in all the learners.

Prof. Dr. Shilpa K. Bendale

Director, KCE Society, Jalgaon

Message From DIRECTOR

It gives me great pleasure to introduce batch of 2018-19. In addition to excelling at their studies, the students have been working hard to develop their industry exposure through company research projects, industry visits and guest lectures. Our students have also competed in many inter-university competitions winning numerous awards.

We at IMR not only focus on academic or classroom studies but also the overall interpersonal development of each student to meet the needs of corporate world. We have a dedicated department for this activity and I personally execute the working and training pattern.

Please have a look at our student profiles and reach out to one of our dedicated Career Services staff to discuss how we can assist with your resourcing needs. We look forward to working with you.

Message from Head of Department MBA

It is our pleasure to introduce to you the MBA batch 2017-19. This batch has unique blend of experience and classroom training as well as industry exposure through industry experts. We have organised many workshops and seminars for the overall managerial development of the students. Our MBA program ensure that each student will be nurture with highly professionals environment and getting all sort of corporate skills to lead the industry from the front.

Students have completed the full time two years MBA program in specialisation like Finance, MArketing, HR and International business. The students has also under gone the summer and winter internship with leading multinationals and various leaders in various sectors of industry. Thus we ensure you the right candidate for the right placement in your organisation to achieve collective goals and leading the industry with high professional skills and ethical principles.
with high professional skills and ethical principles.

Dr. Vishal Sandanshive

Message from Head of Department MCA & IMCA

Master of computer applications (MCA) is one of the most sought after courses in India. It is an extremely balanced course with a lot of emphasis on planning, designing & developing of complex commercial application software & system software. In this course equal importance is given to functional knowledge in various areas as well that are much needed in today's IT world. The 6th Semester is dedicated to the project work, to be done in the industry. A three year full time MCA course is not just a postgraduate course, but also a complete professional grooming of the student for a successful career in the IT Industry. Integrated MCA (IMCA) is a five years prestigious program approved by AICTE. BCA Course is a three year undergraduate program of semester pattern, where students are exposed to the various areas of computer applications. The course provides a sound practical skill that is required by leading IT companies. After three years students can be admitted for MCA which is conducted for next two years.

Our MCA batch of 2016-19 & IMCA 2014-19 are the batches of full of enthusiasm and technical expertise. The students have completed all the assignments, tests, internal & externals, projects and technical workshops and seminars to enhance their IT knowledge. We ensures the students are all set to lead the IT industry. We do provide a mini project to the students on their technical skills development and a live industry based project for six months in leading companies.

Thus we ensure you the expert candidates for your organisation to handle the IT field with managerial skills and highly professional skills.

Prof. Tanuja Fegade

MESSAGE FROM TRAINING & PLACEMENT OFFICER

The training programme structure and pedagogy are designed to provide the students with the best of corporate training and practical experience. We emphasis is on Case Analysis, Assignments, Simulations, Industrial Visits and Group discussions. Soft skill development is an ongoing process throughout the year. Our T&P faculty comes from corporate background with holding ten years experience

I would like to take this opportunity to thank our valued recruiters who have recruited from IMR in the past, we truly appreciate the long standing association we have nurtured over the past so many decades and the confidence you have reposed in our students and sincerely believe that you will continue to lend us your support in future as well. IMR alumni have carved out successful careers and achieved immense success in the professional world despite holding positions of immense responsibility and being extremely occupied, they have continued their support to their alma mater in various possible ways of interviewing candidates, conducting mock interviews, sharing their professional experience and expertise and also regularly recruiting from the campus. My Sincere thanks for their undying support to the institute.

I extend a warm invitation to you to visit the campus and take part in our Summer Placement process. Please feel free to get in touch with me for sharing your thoughts or exploring other forums of engagement.
