### 7.1.1 Action Plan for Gender Sensitization Activities:

The Institute of Management and Research emphasizes the need to sensitize its students on gender equality and empowerment. To achieve this objective the Institute has regular programs being conducted for every new batch of students joining various programs. Some of the events conducted towards gender sensitization are as follows:

- Karate classes for girl students
- Counselling for girl students on various psychological and health issues
- Programs promoting gender equity
- Various programs and events under Yuvati Sabha
- Celebration of Women's day
- Workshops on Cyber security
- Workshops on personality development
- Industrial tours
- Student excursions to Eco-Parks
- Interaction with N G O's promoting Rubella Vaccine for girls
- Interaction with Health officials on various diseases and methods to prevent.

It is also proposed to identify activities which reflect social responsibility, inculcate a sense of patriotism, and taking them up initially in the city of Jalgaon, by associating with like-minded organizations. The activities and programs shall be a recurring one so as to make it a part of the students and faculty routine throughout their tenure at the Institute.
