

7.1 Institutional Values and Social Responsibilities

7.1.5 Green campus initiatives include

1. Policy Document on the Green Campus

Environment & Energy usage Policy

The institute is aiming to be environmental friendly, hence, all faculty and students are hereby required to follow the following, in order to be eco-friendly and energy compliant:

1. There shall be a ban on non-recyclable plastic items in the campus.
2. Only LED lighting fixtures to be replaced in case of lighting equipment failures.
3. There shall be sensor-based lighting system in selected areas to reduce energy consumption.
4. There shall be minimum usage of paper, and it is encouraged to utilize alternate means of communication and maintain e-copies of all documents.
5. Energy generated from the solar panel fixture to be utilized to the maximum and excess power generated will be wheeled to the grid.

By order,
Director,
Prof. Dr. Shilpa K. Bendale
